

Which team will win?

Yellow (or 1, 2, 3, 4) on the die means a goal to Team Yeti.
 Blue (or 5, 6) on the die means a goal to Team Beaver.
 Two goals are scored in each match.

Complete the table to show **the results for a season of 36 games**.
 (You may find it helpful to use yellow and blue pens.)

Questions to discuss in your group:

- What do you make of your results - are there any surprises?
- How do your results compare with the group next to you?

Now tally your results, checking that the grand total is 36:

1 st goal	2 nd goal	Tally	Total
Y	Y		
Y	B		
B	Y		
B	B		
Grand Total			

1. How many **matches** did Team Yeti win?
2. How many **matches** did Team Beaver win?
3. How many **matches** were drawn?
4. **Check:** do your last three answers add up to 36?
